

Program Fees and Estimated Surrogacy Costs

AEM will guide and support all parties throughout their journey. We strive to provide all necessary resources including outside referrals if necessary.

Surrogacy Program Fee

\$18,000

- Advertisement and recruitment of qualified surrogates
- Application review and phone screening
- Background check
- OB/delivery records collection and review
- Face to face interview and evaluation by program director in state
- Approval coordination of surrogate with fertility clinic
- Arranging medical & psychological screening for surrogate at chosen fertility clinic
- Referrals to attorneys specializing in Reproductive Law
- Liason between Recipient Parents, Surrogate and attorneys with legal contracts
- Assist Recipient Parents with obtaining health/Life insurance for surrogate
- Travel coordination as necessary
- Coordination of surrogate support group through third party counseling
- Surrogate transportation assistance
- Attend procedures with surrogate when needed
- Birth Plan format and layout upon request (recommended)
- Recipient Parents and Surrogate updates via telephone and email daily or as needed/requested
- Escrow account management for duration of cycle including post partum invoices
- Monthly compensation/reimbursements to surrogate via escrow
- Monthly balance reports to Recipient Parents via email or fax
- Liason between all parties for duration and post partum as necessary/desired
- Constant emotional support and guidance throughout cycle, pregnancy and post partum for recipient parents and surrogate

Surrogacy program fee does not include monthly compensation or stipend payments for your surrogate. Other fees to consider are those of your fertility clinic, attorney, insurance, hospital and pharmaceuticals.

With any surrogacy cycle there are unforeseen costs and expenses. Although we do our best to help you budget with the quotes attached herein, this is only an estimate of your total cost and may change case by case.
